OFFER LETTER

INTERNSHIP OFFER

Ref: WKR-OCT26TONOV26-326

Date: 10/10/2026

TO,

Palak Baral
IMT pharmacy college puri

Dear Palak,

Congratulations! We are pleased to formally extend a virtual task-based internship offer to you for the role of Data Analytics healthcare/pharmacy at Workora.

Your skills, enthusiasm, and technical aptitude stood out during our evaluation. We are confident your contributions will be valuable, and we look forward to the innovative solutions you will deliver through our task-based roadmap.

ROLE DETAILS

Position: **Data Analytics healthcare/pharmacy**

Duration: **1 Month** Mode: **Remote**

EXPECTATIONS

- Complete assigned task milestones
- Maintain high code quality
- Adhere to submission deadlines

At Workora, we are committed to providing hands-on, task-based experience to build real-world skills. You will work on curated projects, receive expert evaluation reviews, and earn verified credentials to showcase to potential employers.

We are excited to welcome you to Workora!
